benefits data

Simplified
data management
& monitoring

Empowers Employees
with intuitive self-
service access

Reliable Data Transfers
clean and timely data
updates to carriers

Modernize HR

Paperless. Paper forms and files are replaced by a central, online system that's always up to date.

Efficient. Manage everything from a single place.

Accessible. Employees help themselves and find what they need when they need it.

Integrated COBRA. PPI will facilitate connections with COBRA vendors in Employee Navigator's marketplace.

Centralize HR

Streamline Employee Management. Know instantly when enrollment events occur to minimize claim and billing issues.

Employee Self-Service. Intuitive portal puts employees in the driver's seat.

Integrated Carrier Data. PPI manages the flow of data from Employee Navigator to carrier systems and resolves any fallout.

Online Directory. Keep your entire team connected.

Employee Navigator Marketplace. Leverage self-service integration tools for payroll, HRIS, and consumer accounts.

Benefits. Technology. Heart.
