

MyChoice Accounts

Integrated consumer accounts

Secure, Simple and Seamless

You deserve a solution that saves you time and resources and improves overall employee engagement with their consumer directed health care. Employees deserve a simplified benefits experience, without having to go to multiple vendors for answers. MyChoice Accounts is a holistic benefits experience that includes a unique enrollment experience and year-round engagement.

Streamline benefits with MyChoice Accounts

Integrated, in-house administration of FSAs, HRAs, HSAs and commuter benefits eliminate census file exchanges, claim delays and vendor fatigue for your team. Accounting, reporting, and communications are on one platform—for you. For your employees, that means all things “benefits” are under one roof—increasing understanding, utilization, and engagement with their benefits journey year-round.

MyChoice Accounts addresses traditional spending account pain points head-on with:
