

# SelfEnroll

## Get the MyChoice Mobile App

1. Login to SelfEnroll at [www.ppienroll.com](http://www.ppienroll.com) using your username and password.
2. Find the MyChoice Mobile App logo on the home screen. Click the Access the App button.
3. A popup window will open giving you 2 ways to access the app. Follow Steps 1-4 in the popup window to Scan the QR code with your phone's camera. Or you may click the blue text in the right corner to **Use an Access Code Instead**.
4. For the **Use an Access Code Instead** option, after you click on the blue text, a popup window will open prompting you to Install the app.

### MyChoice Mobile App

Access your benefit details, store ID cards, and more! All at your fingertips.

### MyChoice Mobile App

#### Scan your personalized QR code to access the app

1. Open the native camera app on your phone.
2. Center the QR code on the phone screen and hold steady for a couple of seconds.
3. Tap the notification that pops up on your phone to gain access to the app.
4. If prompted to paste, tap Allow Paste.

*This single use QR Code accesses your personal account and will expire after 20 minutes. Do not share with anyone.*

In Step 1, select your phone Operating System- iOS (Apple) or Android- and then enter your mobile number.

Next, click on the blue **Text Link** button and wait for your text message to arrive. You'll receive a text message with a link to download the app. Click on the app store link to download the app.

In Step 2, follow the Enter Access Code directions. Tap on **Use Single Sign-On** and then tap on **Use an Access Code** instead. Type in the Access Code provided to enter the app.

You may continue your benefits experience in the web browser or return to the MyChoice Mobile App.
